

Welcome to Woodson Falls

Gaby Quinn is hiding from her past, recovering from the senseless death of her husband, and living in a small New England town. She has her law practice, her dog Kat, and a small circle of friends.

What more could she need?

But when an unusual probate case crosses her desk, she finds herself looking for a lost body, an abandoned truck, and answers to a mountain of questions, not least of which is, "Who was Pieter Jorgenson?"

Soon enough, she discovers even small towns hold big secrets.

A small-town atmosphere is brilliantly created in this intriguing conundrum that has a strong finish that will shock and surprise you.

—Peter Green, author of the Jimmy Dugan mystery series

The fictional town, Woodson Falls, is itself an expertly drawn character and O'Connor's knowledge of her terrain is masterful right down to the most obscure zoning ordinance. *Woodson Falls: 16 Lakeview Terrace* is perfect for mystery lovers, and her spirited protagonist, Attorney Gaby Quinn, resonates so strongly that one wonders what other mysteries she might unravel in future novels.

—Don Lowe, First Selectman, Sherman, CT

Author Andrea O'Connor brings you to the lovely New England town of Woodson Falls and takes you down a road no one wants to go.

—Marc Youngquist, author of the *Maidstone* mysteries
