

Fireworks in Woodson Falls

Attorney Gaby Quinn's law practice continues to keep her busy, as does her budding relationship with Officer Matt Thomas.

But the threatening note from a stranger has Gaby on edge.

And as she searches for clues to reveal the stranger's identity and motives, Matt's protectiveness rubs her the wrong way. Gaby wants nothing more than to relax and enjoy the Fourth of July holiday. Yet when elderly Winston Pinkham admits to being in a bit of a bind, she jumps at the chance to help a friend in need.

But someone else has other plans...
